Re: Withdrawal of California Water Service Group's Proposal

Dear President Picker and Commissioners:

Following SJW Group's rejection of California Water Service Group's ("Cal Water") revised proposal this morning, Cal Water publicly announced it has withdrawn its proposal and terminated its tender offer for all outstanding shares of SJW Group.

Cal Water's announcement allows us to squarely focus on our future and move forward with our powerful combination with Connecticut Water, which remains on track to close in the first quarter of 2019. We are confident that our transaction with Connecticut Water will provide significant immediate benefits to our customers, employees and our local communities which are at the core of our mission of delivering life sustaining, high quality water service.

As always, for additional information, please contact me as may be appropriate or visit www.sjw-ctws.com.

Very truly yours,

A handwritten signature in blue ink, appearing to read 'John B. Tang'.
