

SJW Group Stockholders Representing More Than 31% of Shares Outstanding Express Support For SJW Group's Revised Transaction with Connecticut Water

San Jose, CA – August 8, 2018 – SJW Group (NYSE: SJW) today announced that members of the Moss family, stockholders who in aggregate own more than 31% of the company's outstanding shares, have expressed support for the combination with Connecticut Water Service, Inc. (NASDAQ: CTWS) ("Connecticut Water") under the revised terms announced August 6, 2018.

"The revised transaction will facilitate a powerful combination that should deliver significant immediate and long-term value to SJW Group stockholders. I am pleased that the all-cash acquisition has the support of the extended Moss family, as well as support from many institutional stockholders," said Robert A. Van Valer, the lead independent director of SJW Group's Board of Directors and trustee of the Roscoe Moss Jr Revocable Trust, which is the largest stockholder of the company. "The rest of the Board and I continue to believe that SJW Group's combination with Connecticut Water is a unique and compelling opportunity for shareholders while also delivering benefits for the company's customers, all of our employees and the communities we serve."

The revised transaction, which is expected to close in the first quarter of 2019, is subject to customary closing conditions and approvals, including the approval of Connecticut Water shareholders, the approvals of the Connecticut Public Utilities Regulatory Authority and the Maine Public Utilities Commission and the approval of the Federal Communications Commission. The waiting period under the Hart-Scott-Rodino Antitrust Improvements Act was terminated early on April 27, 2018. The California Public Utilities Commission (CPUC) previously instituted an investigation into whether the transaction is subject to its approval and anticipated impacts in California. The CPUC is planning to complete its inquiry in time to allow the acquisition to go forward, if appropriate, by the end of 2018. It is anticipated that consideration of the revised transaction will not substantially extend the current CPUC investigation.
